Dear Mr. Casey,

On behalf of the students of Stanford University participating in the Stanford-in-Government program, we would like to invite you to participate in our Summer Speaker Program.

As intern coordinators we are in the process of arranging activities for those Stanford students who will be interning in Washington D.C. during the summer months. The goal of the Speaker Program is to enhance the interns' Washington experience by providing an opportunity to share political concerns directly with government officials. In view of your prominent political position in our national government, we would be most honored by your participation in our program.

The Speaker Program is designed to give politically aspiring students an opportunity to meet and discuss currently debated issues with the individuals who are integrally involved with those issues. It is through programs such as these that students are able to broaden their education beyond the world of academia. We feel strongly that these informal discussions are mutually beneficial; hence, our enthusiasm about the program.

In scheduling our programs we would like to suggest Wednesday, July 6 at 4:30 p.m. as a tentative date and time. This date, however, is quite flexible, for we are eager to accomodate to your scheduling demands.

We sincerely hope that you will consider our invitation. We look forward to hearing from you soon.

Sincerely,
